for Education

Unleashing Potential, Transforming Lives

Participating Partner High Schools

Capital Partners for Education (CPE) partners with a number of college preparatory high schools in the Washington, DC metropolitan area. Students apply to CPE during their 8th grade year, and accepted students begin CPE programming in the summer prior to their 9th grade year. The process of selecting the “right” high school can be very daunting, and CPE recommends that students and families contact and explore a number of schools before applying. Due to the competitive nature of our partner schools, CPE strongly encourages students to apply to **more than one** school. Please contact CPE’s Admissions and Outreach Manager Audrey Love Siegfried at 202-682-6020 ext. 228 if you have any questions regarding CPE’s partner schools.
